MELBOURNE  
ARCHDIOCESE  
CATHOLIC SCHOOLS

AVE MARIA COLLEGE  
She Who Belongs She Who Thrives.

Ave Maria College is a school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS).

## Introduction

At Ave Maria College, we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel ([CECV Commitment Statement to Child Safety](#)).

The person of each individual human being, in his or her material and spiritual needs, is at the heart of Christ's teaching: this is why the promotion of the human person is the goal of the Catholic school ([The Catholic School on the Threshold of the Third Millennium](#), n. 9).

Our College Motto, Striving for Truth, through Love, guides our collective efforts in enabling our young women to thrive in recognising the truth of God's love and their own call to seek truth and love, in themselves and in their relationships with others.

As a College established by the Franciscan Missionaries of Mary (FMM), we seek to live out the Franciscan charism, laid out and lived by St Francis of Assisi, who modelled his life on the message and person of Jesus Christ.

Our College Vision, Mission and Values reflect our belief in the goodness of all and our belief in students' capacity for excellence and fullness of life in all their endeavours.

The person of each individual human being, in his or her material and spiritual needs, is at the heart of Christ's teaching: that is why the promotion of the human person is the goal of the Catholic school (Congregation for Catholic Education 1997, n. 9).

## Purpose

The purpose of this Policy is to demonstrate the strong commitment of Ave Maria College to the care, safety and wellbeing of all students at our school. It provides an outline of the policies, procedures and strategies developed to keep students safe from harm, including all forms of abuse in our school environment, on campus, online and in other locations provided by the school.

This Policy takes into account relevant legislative requirements within the state of Victoria, including the specific requirements of the Child Safe Standards as set out in [Ministerial Order 1359](#)

This Policy applies to school staff, including school employees, volunteers, contractors and clergy. It should be read in conjunction with the following related school policies and procedures:

1. PROTECT: Identifying and Responding to Abuse – Reporting obligations
2. Child Safety Code of Conduct
3. Reportable Conduct Policy.

Our foundational principles are those drawn from the narrative of our faith and Franciscan heritage. Operating within the Catholic mission of the Church, and inspired by Franciscan principles, we nurture in

our young women integrity, compassion for others, deep respect and love for life and a gratitude that recognises all good as a gift from our Creator God, for all.

In living out these values, we have established a warm, relational learning environment. We recognise the need for our young women to feel safe, to be known, cared for, catered for and challenged. We strive to enable every student to pursue all that she can be. Ave Maria College is an Accredited Restorative College and has in place a clearly articulated statement of practice regarding the best learning environment for young women to thrive within our 'Creating and Maintaining a Positive Learning Environment' (C.A.M.P.L.E.) document. These commitments guide our policies, procedures and practices in relation to student conduct and engagement.

## Principles

Catholic schools have a moral, legal and mission-driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard, and they are safe and feel safe ([CECV Commitment Statement to Child Safety](#)).

The following principles underpin our commitment to child safety at Ave Maria College:

- All students deserve, as a fundamental right, safety and protection from all forms of abuse and neglect.
- Our school works in partnership with families and the community to ensure that they are engaged in decision-making processes, particularly those that have an impact on child safety and wellbeing and protection.
- All students have the right to a thorough and systematic education in all aspects of personal safety, in partnership with their parents/guardians/carers.
- All adults in our school, including teaching and non-teaching staff, clergy, volunteers and contractors, have a responsibility to care for children and young people, to positively promote their wellbeing, to identify and mitigate risks related to child safety and wellbeing in the school environment and to protect them from any kind of harm or abuse.
- The policies, guidelines and codes of conduct for the care, wellbeing and protection of students are based on honest, respectful and trusting relationships between adults and children and young people.
- Policies and practices demonstrate compliance with legislative requirements and cooperation with the Church, governments, the police and human services agencies.
- All persons involved in situations where harm is suspected or disclosed must be treated with sensitivity, dignity and respect.
- Staff, clergy, volunteers, contractors, parents and students should feel free to raise concerns about child safety, knowing these will be taken seriously by school leadership.
- Appropriate confidentiality will be maintained, with information being provided to those who have a right or a need to be informed, either legally (including under legislated information sharing schemes being Child Information Sharing Scheme (CISS) or Family Violence Information Sharing Scheme (FVISS)) or pastorally.

## Definitions

**Child** means a child or young person who is under the age of 18 years.

**Child abuse** includes:

- (a) any act committed against a child involving:
  - (i) a sexual offence
  - (ii) an offence under section 49B(2) of the *Crimes Act 1958* (grooming)

- (b) the infliction, on a child, of:
  - (i) physical violence
  - (ii) serious emotional or psychological harm
- (c) serious neglect of a child.

**Child safety** encompasses matters related to protecting all children from child abuse, managing the risk of child abuse, providing support to a child at risk of child abuse, and responding to suspicions, incidents or allegations of child abuse (Ministerial Order No. 1359).

**Child neglect** includes a failure to provide the child with an adequate standard of nutrition, medical care, clothing, shelter or supervision to the extent that the health and physical development of the child is significantly impaired or placed at serious risk ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

**Child physical abuse** generally consists of any non-accidental infliction of physical violence on a child by any person ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

**Child sexual abuse** is when a person uses power or authority over a child to involve them in sexual activity. It can include a wide range of sexual activity and does not always involve physical contact or force ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

**Emotional child abuse** occurs when a child is repeatedly rejected, isolated or frightened by threats, or by witnessing family violence ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

**Grooming** is when a person engages in predatory conduct to prepare a child for sexual activity at a later date. It can include communication and/or attempting to befriend or establish a relationship or other emotional connection with the child or their parent/carer ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

**Mandatory reporting:** The legal requirement under the *Children, Youth and Families Act 2005* (Vic.) to protect children from harm relating to physical and sexual abuse. The Principal, registered teachers and early childhood teachers, school counsellors, religious clergy, medical practitioners and nurses at a school are mandatory reporters under this Act ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

**Reasonable belief – mandatory reporting:** When school staff are concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a reasonable belief. A ‘reasonable belief’ or a ‘belief on reasonable grounds’ is not the same as having proof, but is more than mere rumour or speculation. A reasonable belief is formed if a reasonable person in the same position would have formed the belief on the same grounds ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

**Reasonable belief – reportable conduct scheme:** When a person has a reasonable belief that a worker/volunteer has committed reportable conduct or misconduct that may involve reportable conduct. A reasonable belief is more than suspicion and there must be some objective basis for the belief. It does not necessitate proof or require certainty.

NOTE: the difference between the reasonable belief definitions under mandatory reporting and the reportable conduct scheme is the category of persons who are required to, or can, form the reasonable belief which forms the basis for a report.

**Reportable conduct:** Five types of reportable conduct are listed in the *Child Wellbeing and Safety Act 2005* (Vic.) (as amended by the *Children Legislation Amendment (Reportable Conduct) Act 2017*). These include:

1. sexual offences (against, with or in the presence of a child)
2. sexual misconduct (against, with or in the presence of a child)
3. physical violence (against, with or in the presence of a child)
4. behaviour that is likely to cause significant emotional or psychological harm
5. significant neglect.

**School environment** means any physical, online or virtual places used during or outside school hours:

- a campus of the school
- online or virtual school environments made available or authorized by Ave Maria College for use by a child or student (including email, intranet systems, software, applications, collaboration tools and online services)
- other locations provided by the school or through a third party provider for a child or student to use including, but not limited to, locations used for school camps, approved homestay accommodation, delivery of education and training, sporting events, excursions, competitions and other events (Ministerial Order No. 1359)

**School staff** means an individual working in a school environment who is:

- directly engaged or employed by a school governing authority
- a contracted service provider engaged by MACS (whether or not a body corporate or any other person is an intermediary) engaged to perform child-related work for Ave Maria College
- a minister of religion, a religious leader or an employee or officer of a religious body associated with MACS (Ministerial Order No. 1359).

## Expectation of our school staff – Child Safety Code of Conduct

At Ave Maria College, we expect school employees, volunteers, contractors and clergy to proactively ensure the safety of students at all times, to identify concerns about child safety and wellbeing and to take appropriate action if there are concerns about the safety and wellbeing of any child at the school. All school staff must remain familiar with the relevant laws, the code of conduct, and policies and procedures in relation to child protection, and comply with all requirements. We have developed a [Child Safety Code of Conduct](#), which recognises the critical role that school staff play in protecting the students in our care and establishes clear expectations of school employees, volunteers, contractors and clergy for appropriate behaviour with children in order to safeguard them against abuse and/or neglect.

Our Code also protects school staff through clarification of acceptable and unacceptable behaviour.

## Student safety and participation

At Ave Maria College, we actively encourage all students to openly express their views and feel comfortable about giving voice to the things that are important to them.

We teach students about what they can do if they feel unsafe and enable them to understand, identify, discuss and report their concerns. We listen to and act on any concerns students, or their parents or carers, raise with us.

The curriculum design integrates appropriate knowledge and skills to enhance students' understanding of being safe, as well as their understanding of their rights to safety, information and participation. Teaching and learning strategies that acknowledge and support student agency and voice are implemented. We ensure that students are offered access to sexual abuse prevention programs and to relevant related information in an age-appropriate way.

We have developed appropriate education about:

- standards of behaviour for students attending our school
- healthy and respectful relationships (including sexuality)
- resilience
- child abuse awareness and prevention.

We have also developed curriculum planning documents that detail the strategies and actions the school takes to implement its obligations to ensure that:

- children and students are informed about all of their rights, including to safety, information and participation
- the importance of friendship is recognised and support from peers is encouraged, to help children and students feel safe and be less isolated
- staff and volunteers are attuned to signs of harm and facilitate child-friendly ways for children and students to express their views, participate in decision-making and raise their concerns
- we have strategies in place to develop a culture that facilitates participation and is responsive to the input of children and students
- we provide opportunities for children and students to participate and is responsive to their contributions to strengthen confidence and engagement
- students are offered access to sexual abuse prevention programs and to relevant information in an age-appropriate way.

There are a number of avenues through which students are educated about personal safety. These include the Year Level Wellbeing programs. Each program is aimed at addressing developmental and wellbeing needs for the age group. At year 7, 8 and 10 students have a wellbeing / personal development day which includes workshops on the issues of physical and online safety. All wellbeing plans from 2017

onward will include specific activities and education sessions on how to identify, discuss and report child safety issues. In the Health and Physical Education and Religious Education Curricula, there are also opportunities for discussion on topics of significance to personal health and safety and relationships.

The wellbeing programs, along with College student wellbeing support structures of Mentor Teachers, Year Level Leaders, Student Counsellor, Director of Student Wellbeing and Assistant Principal – Students and Engagement, provide avenues for students to openly express their feelings and views. Likewise, the Student Leadership program, where there are a range of students in official positions such as Year Level Captains, Mentor Ambassadors, Peer Support and Faith and Social Justice leaders provide an additional avenue for student voice both formally and informally.

The overarching guidelines for appropriate behaviour are outlined in the College ‘Creating and Maintaining a Positive Learning Environment’ (C.A.M.P.L.E.) document. Expectations and consequences are outlined in this document, which is published in the Student Planner and posted in every classroom.

## Reporting and responding

Our school creates records relevant to any child safety complaints, disclosures or breaches of the Child Safety Code of Conduct, and maintains and disposes of those records in accordance with security and privacy requirements and [Public Record Office Victoria Recordkeeping Standards](#) (including minimum retention periods). Our school complies with legal obligations that relate to managing the risk of child abuse under the *Children, Youth and Families Act 2005* (Vic.), the *Crimes Act 1958* (Vic.), the *Child Wellbeing and Safety Act 2005* (Vic.) and the recommendations of the [Betrayal of Trust](#) report.

Child protection reporting obligations fall under separate pieces of legislation with differing reporting requirements.

Our school’s [PROTECT: Identifying and Responding to Abuse – Reporting obligations](#) updated on 1 July 2022 sets out the actions required under the relevant legislation when there is a reasonable belief that a child at our school is in need of protection or a criminal offence has been committed, and provides guidance and procedures on how to make a report.

Our policy assists staff, volunteers and families to:

- identify the indicators of a child or young person who may be in need of protection
- understand how a reasonable belief is formed under the reportable conduct scheme as well as mandatory reporting
- make a report of a child or young person who may be in need of protection
- comply with mandatory reporting obligations under child protection law, and their legal obligations relating to child abuse and grooming under criminal law
- comply with reporting obligations under the reportable conduct scheme including obligations to report and investigate allegations of reportable conduct.

Our school has also established additional internal procedures and processes to help ensure that appropriate action is taken to respond to concerns about the wellbeing and/or safety of a student.

Our school is a prescribed Information Sharing Entity (ISE) meaning that, where legislated requirements are met, it is able to share confidential information with other ISEs to promote child wellbeing or safety under the CISS or FVISS.

Our complaints and disclosure processes are outlined and detailed in the following policies and procedures:

- Anti-Bullying Policy

- Equal Opportunity Policy
- Mandatory Reporting Policy
- Restorative Practices Policy
- Student Wellbeing Policy

At Ave Maria College, if any member of our school community has concerns for a child's safety they need to discuss, they can notify the school Principal, the Deputy Principal or the designated Child Safety Lead/Officer.

If the Principal or Child Safety Officer is not available, then it should be discussed with a member of the school leadership team. Alternatively, any member of the school community may report directly to the responsible authority.

The staff member, supported by the Principal or designated Child Safety Officer will follow the step-by-step guide to making a report as outlined in the [Four Critical Actions for Schools: Responding to Incidents, Disclosures and Suspicions of Child Abuse](#).

## Screening and recruitment of school staff

Ave Maria College will apply thorough and rigorous screening processes in the recruitment of employees and volunteers involved in child-connected work. Our commitment to child safety and our screening requirements are included in all advertisements for such employee, contractor and volunteer positions, and all applicants are provided with copies of the school's Child Safety Code of Conduct and the Child Safety Policy.

Each job description for staff involved in child-connected work has a clear statement that sets out the requirements, duties and responsibilities regarding child safety and wellbeing for those in that role and the occupant's essential qualifications, experience and attributes in relation to child safety and wellbeing.

When recruiting and selecting employees, contractors and volunteers involved in child-connected work, we ensure that we gather, verify and record the following information about any person we propose to engage:

- confirm the applicant's Working with Children Check and National Police Check status and/or professional registration (as relevant)
- obtain proof of personal identity and any essential or relevant professional or other qualifications
- verify the applicant's history of work involving children
- obtain references that address the applicant's suitability for the job and working with children.

We will also ensure that appropriate supervision or support arrangements are in place in relation to the induction of new school staff into the school's policies, codes, practices and procedures governing child safety and wellbeing and child-connected work.

We have procedures and processes for monitoring and assessing the continuing suitability of school staff and volunteers to work with children, including regular reviews of the status of Working with Children Checks and staff professional registration requirements such as Victorian Institute of Teaching (VIT) registration.

Ave Maria College implements the following CECV guidelines:

- *Guidelines on the Employment of Staff in Catholic Schools*

- *Guidelines on the Engagement of Volunteers in Catholic Schools*
- *Guidelines on the Engagement of Contractors in Catholic Schools*
- *NDIS/External Providers: Guidelines for Schools.*

## Child safety – education and training for school staff

Ave Maria College provides employees, volunteers and clergy with regular and appropriate opportunities to develop their knowledge of, openness to and ability to address child safety matters. This includes induction, ongoing training and professional learning to ensure that everyone understands their professional and legal obligations and responsibilities, and the procedures for reporting suspicion of child abuse and neglect.

At least annually, our professional learning and training addresses:

- staff’s individual and collective obligations and responsibilities for managing the risk of child abuse
- preventing, identifying and mitigating child abuse risks in the school environment without compromising a child or student's right to privacy, access to information, social connections and learning opportunities
- the reportable conduct scheme
- our school’s current child safety standards (including this Policy, the Child Safety Code of Conduct and any other policies and procedures relating to child safety and wellbeing, including in relation to managing complaints and concerns related to child abuse)
- guidance on recognizing indicators of child harm including harm caused by other children and students
- guidance on responding effectively to issues of child safety and wellbeing and supporting colleagues who disclose harm
- guidance on how to build culturally safe environments for children and students
- guidance on their information sharing and recordkeeping obligations, including under the [Public Record Office Victoria Recordkeeping Standards](#)

Ave Maria College’s induction program involves the introduction to new staff specifically on the College student wellbeing policies, procedures and expectations; child safety is encompassed within these. Throughout the course of any given year, all staff undergo refresher training on current policies and procedures in regard to child safety as part of our professional learning program on student wellbeing. Any updates to policies and procedures are also factored into staff professional learning.

The College has a specifically tailored induction program for volunteers and contractors. This program covers the College’s expectations in regard to child safety and conduct. Updates to policies and procedures are communicated to volunteers and contractors as appropriate.

## Diversity and equity – strategies and actions

At Ave Maria College we are committed to ensuring that equity is upheld, and that diverse needs are respected in policy and practice. We aim to ensure that:

- all school staff and volunteers understand the diverse circumstances of children and students
- our school provides support and responds to vulnerable children and students
- children, students, staff, volunteers and the school community have access to information, support and complaints processes in ways that are culturally safe, accessible and easy to understand

- the school pays particular attention to the needs of students with disability, students from culturally and linguistically diverse backgrounds, students who are unable to live at home, international students, and LGBTIQ+ students

## Family engagement – strategies and actions

Ave Maria College ensures that families, carers and other members of the school community are informed about relevant child safety and wellbeing matters and are involved in the promotion of child safety and wellbeing at the school. We aim to ensure that:

- families participate in decisions relating to child safety and wellbeing which affect their child
- we engage and openly communicate with families, carers and other members of the school community about our child safe approach
- all members of the school community have access to information relating to child safety and wellbeing
- families, carers and other members of the school community have the opportunity to provide input into the development and review of the school's child safety and wellbeing policies and practices
- families, carers and other members of the school community are informed about the operations and governance of the school in relation to child safety and wellbeing.

Families and carers are consulted about the programs offered by the College. They are encouraged to participate in events, such as Special Persons Mass, Mother's Day and Father's Day breakfasts, and to attend information sessions and presentations. Ave Maria College works closely with families and carers in support of students. This includes regular communication, including Program Support Meetings and Student Support Meetings to ensure a collaborative and student-centred approach. Ave Maria College refers to the eXcel: Wellbeing for Learning framework to ensure that the College connects with families and carers to develop a strong sense of connection and belonging. Collaboration with families and carers is authentic and respectful in order to support students to flourish.

## Risk management

At Ave Maria College, we are committed to proactively and systematically identifying and assessing risks to student safety across our whole school environment, and reducing or eliminating (where possible) all potential sources of harm. We document, implement, monitor and annually review our risks and risk management strategies for child safety and wellbeing, evaluate the effectiveness of the implementation of our risk controls and ensure that the strategies change as needed and as new risks arise.

As defined in the AMC Key Committees document, the Student Wellbeing Team's primary purpose is "To further the development and implementation of the College's student wellbeing policies, procedures and expectations". Child Safety is a standing item on this agenda for the identification and risk assessment of child safety standards in the daily operations of student life at the College.

## Relevant legislation

- *Children, Youth and Families Act 2005* (Vic.)
- *Child Wellbeing and Safety Act 2005* (Vic.)

  1. **Failure to disclose offence**: Any adult who forms a reasonable belief that a sexual offence has been committed by an adult against a child under 16 has an obligation to report that information to police. Failure to disclose the information to police is a criminal offence.
  2. **Failure to protect offence**: This offence will apply where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit the offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.
  3. **Grooming offence**: This offence targets predatory conduct designed to facilitate later sexual activity with a child. Grooming can be conducted in person or online, for example via interaction through social media, web forums and emails.
